MANAGED ATROCITIES

"Things just don't happen—they are planned that way" —Franklin D. Roosevelt

By Ralph W. McInnis

Thousands of Americans who have been taught to respect our freedom of the Press have expressed shock, dismay, and indignation when told bluntly by a government official that government has a right to manage the news.

But to astute political observers, the managed news story was not news at all. A growing disregard for truth has been glaringly obvious in the "liberal" presses, radios, and TV for many years; and it is high time that responsible Americans investigate the ownership of those communist-oriented peddlers of hate propaganda and falsehood. Those of us who already know who communism is as well as what it is will be immensely relieved when others discover the pattern of names that will emerge from an investigation into the ownership of our "liberal" news media.

Managed news was not a new phenomenon in American politics and the communication media even during the first world war. Those who are old enough to remember will recall that during that frightful fratricide of the white race, Americans were aroused to a white heat of anti-Germanism when told that the mean old Germans were cutting off the arms of defenseless, innocent little Belgian boys—so the kids could never grow up to carry a gun against Germany. At the same time, the reds were busy agitating the Germans against the US, convincing them that Americans are some sort of brainless beasts.

The objective of red agitation on both sides was annihilation of the white race. At the same time, the reds boast that the stupid capitalists, if properly approached, will be happy to assist in their own destruction. Not only has our news been managed by these ruthless vermin, but our very lives and our fortunes have been managed by them for years — and our suspicions were seldom aroused. Is it any wonder that the red conspirators think we are stupid?

We should recall, too, that our ministers and priests who went to Belgium after the war to study the alleged war crimes first hand were chagrined to find that THERE WERE NO ARMLESS BELGIAN BOYS!!! The alleged atrocities had been managed, but nobody bothered to tell the mothers and fathers, whose sons had died fighting in the red-inspired, senseless war, that the white race had been treacherously deceived—on both sides. We had been suckers as usual, swallowing the dangled bait of communism without ever suspecting that a vicious red hook was concealed inside. The reds have managed all of our wars as far back as our own civil war and the French Revolution—and perhaps further.

After the second World War, I served as Administrative Officer for the Education and Cultural Relations Division of the De-Nazification Program of Germany. Our offices were located in the old Palace of Justice Building in Nuremberg, where the so-called "War Crimes trials" were in progress; and I was properly horrified by daily atrocity stories emanating from the court rooms near my office.

Assistant Secretary of Defense Arthur Sylvester's remark that the government can lie to save itself, has never been repudiated by this Administration.

After talking with hundreds of well-informed people from Scandinavia, France, Austria, Hungary and other European nations, I began to suspect that the atrocity stories of World War II were also managed news. The real criminals of World War II were not being tried; some seemed to be serving as judges, juries, and witnesses against the defeated and defenseless Germans.

While on leave, I visited the infamous prison camp at Dachau, near Munich, still not fully realizing that I had been brainwashed about the so-called horror camp. At first, I saw no reason to suspect a hoax, but upon closer examination of this tourist trap, I was forced to the conclusion that I and millions of other unsuspecting Americans had been victims of "managed news."

Inside the gas chamber, a careful observer may see one of the neatest tricks ever conceived in the mind of a "managed-atrocity-expert." In fact, the trick was too neat, for the chamber of alleged horrors was sparkling brand new—without a blotch, a spot, a mark, or a smear to testify that anyone had ever died there.

WAS THE GAS CHAMBER AT DACHAU BUILT AFTER THE WAR?—like the setting for a Hollywood monster picture? Was its post-war construction designed to convince gullible Americans that the managed atrocities had actually occurred? Many millions of Europeans think so. Nothing as crude as the propaganda lies of the first World War was permitted. The Belgian boy

"atrocities" were for the ultra-naïve. Americans have become somewhat more sophisticated, and the reds had to become more polished propagandists. There had to be "proof" that the propaganda lies were true. Americans who had witnessed the scene of the alleged horror must return home to verify the managed-atrocity-lies.

It seems highly unlikely that tens of thousands of people could be gassed to death in a small chamber without leaving a spot. The victims would have been clawing at the walls. There would have been blood stains. But there was nothing—nothing but the technique of the BIG LIE, told often enough and long enough and loud enough so that millions believed it. It is now my firm conviction that NOBODY EVER DIED IN THE "GERMAN" GAS CHAMBERS. Many Europeans and Americans believe that the chambers were secretly built AFTER THE WAR by COMMUNISTS IN AMERICAN UNIFORMS. There was not the slightest evidence—except "managed evidence"—that any of the six million communists and their stooges were doing anything except screaming their usual chant of "police brutality." The atrocity stories are the Belgian boys of World War I and the police brutality cries of the current scene in our race riots. The reds have cried "Wolf!" too many times for any except the most simple minded to fall for the story again. Let us be adult enough, and mature enough, to toss all of the police brutality stories and concentration camp horror stories and Belgian boy stories into the political garbage heap where they belong. Let us never be fooled again. The reds are expert demonologists and monsterologists, quite capable of putting horns and a long tail on Little Orphan Annie—and a big pitchfork in her hands.

The red trick works like this: A commie hurls a brick in a "managed street brawl," and a policeman's skull is fractured. Then the red reptile screams "atrocity" or "police brutality." The "liberal" press grabs the story, and the victim of the outrageous conspiracy then finds to his dismay that he has become the villain instead of the victim. This was the case in Munich and Rochester, in Spain and Jersey City, and in Birmingham. These pages of the history book are not isolated chapters. The outrageous crimes committed in Madrid and Mississippi, in Hanover and Harlem are but different phases of the same diabolical red conspiracy. Still, each year, a new group of White Christians in Germany must be sacrificed to the red God of "managed atrocities" in order to perpetuate the myth of police brutality in the nation. The arthritic bones of a few aging Germans must be beaten anew each year. And every White Christian German must be hounded, harassed, and humiliated for his "crime" of resisting a communist take-over of his country.

We Americans have committed a savage crime of blundering stupidity against our white brothers in Germany. Now we must suffer for the war against communism that we would not permit the Germans and Italians to win. Perhaps we could atone for our

—o— Please turn to page 2 —o—

Managed Atrocities

—o— Continued from page 1 —o—

audacious stupidity by battering down the reds' **WAILING WALL** that now divides Berlin. As a matter of national decency, we must assist the Germans to regain their national independence—and eliminate the red vermin from the territory of white men forever.

In discussing the matter of the alleged atrocities with European friends, I asked, "But what about the photographs of those stacks of bodies that we saw? Were the photographs faked, too?"

The Europeans smiled—wry, patient, nervous little smiles as they said, "These were the bodies of dead Germans killed in the Munich air raids. There was no shortage of German bodies for such pictures." It seems that our news for many years has come from "Managed News Wire Service" and "Faked Photography, Inc."

Many Europeans told me frankly that Germany's only crime was that she tried to defend herself against aggressive communism, that she was surrounded by communist infiltrated governments on every hand and reasoned that her best defense would be to attack. At the time, the little red shoe was not pinching our foot; so we failed to understand why the Germans appeared to be limping so badly.

The real reason for the war finally dawned, even on my thoroughly laundered mind. History records that the Weimar Republic that preceded Hitler was thoroughly infiltrated and taken over by communists, who planned to annex Germany quietly to the non-Russian, Moscow government and enslave or murder the German people. But before the communist victory had been consolidated, the Germans discovered the treachery, revolted, and seized power from the reds.

Let us make no mistake about it—the red hand of communism was at Germany's throat; the red knife of savage hate was at her jugular vein. Treason in any nation has always been a crime punishable by death, and it is known that the alleged six million communists and their fellow travelers had infiltrated every phase of German life and were tearing that nation to pieces—just as they and their ethnic brothers are now doing in the United States of America. Considering the enormity of the crime of treason against Germany, the German people can hardly be blamed for anything they might have done to the criminal traitors and non-German conspirators.

Germany was the only industrial power in Europe strong enough to stop the communist control of all Europe—that is, if America did not intervene. The reds knew, therefore, that Germany had to be annexed peacefully or destroyed. Also, a war between the white races, with as many negroes and other minority races as possible thrown in, would be useful to the reds in destroying millions of whites and negroes who stood in the way of world-wide communist victory. The reds arranged or "managed" the war so we might all proceed to slaughter each other and spend ourselves into bankruptcy.

This is dialectical materialism in action. **AMERICANS, FOR GOD'S SAKE AND FOR THE SAKE OF YOUR CHILDREN, WAKE UP!!!** Let us never let it happen again. Must we suffer the loss of life of thousands of our finest young men in communist-managed wars that are designed to destroy the white race and leave a political vacuum so the reds may rule? Are we guilty of such brute stupidity that we no longer care, not even for the survival of our own children? Must we continue forever to sleep the sleep of death???

After returning to America, I observed the similarity between the viciousness of the attacks on America's South and the viciousness of the attacks against Germany and Spain, with destruction of the German and Spanish image abroad. It is clear that the source of all of these venomous attacks is

"THE BIG LIE—UNEARTHED"

Mass graves from which thousands of corpses of murdered Ukrainians were dug out in the city of Vynnytsia, Ukraine. To cover up their evil deeds, the communists planted so-called "Park of culture and rest."

the same. All over the world, the red conspiracy has attacked and destroyed the American image—just as they destroyed the German and Spanish images. At the same time the reds are very careful never to blame Moscow for anything. Currently, you will notice that the race riots are being blamed on—of all people—the Chinese communists—but never, never, never on the Moscow communists. And the same venomous vipers who agitate race riots in New York and elsewhere are piously participating in a war of nerves against Mississippi.

AMERICANS, LET US UNITE THE WHITE RACE—AND THE BLACK RACE—from Berlin to Bagdad, from Melbourne to Minnesota, from Dunkirk to Dallas, from Cairo to Chicago, from Jackson to Johannesburg. We must save the white race and the negroes from the diabolical schemes of the reds. We must not permit the com-rats to turn Americans against Americans as they turned Spaniards against Spaniards, which resulted in over one million Spanish deaths. We must never again fall into the trap of permitting the reds to send Americans, Germans, French, Italians, and Englishmen into wars for our mutual annihilation—and with millions never suspecting the true nature of the enemy.

LET US IDENTIFY THE ENEMY AND ACKNOWLEDGE THE FACT THAT COMMUNISM IS NOT RUSSIAN!!! International criminals own and operate communism, and the Russian people are the victims, not the masters of the diabolical conspiracy. In the history of man, no more vicious or treacherous devils have walked the face of our planet.

We must recognize the fact, too, that treason is a crime punishable by death, and when we are attacked by vipers we must destroy them—for the sake of our children—whether we are attacked by one rattlesnake or six million of the venomous serpents. If we are to save our children, every red must be hunted down like the vicious mad dog that he is and ruthlessly destroyed.

Communism is a spreading, insidious cancer on the face of our planet. This vicious anti-white malignancy must be wiped out—and soon, or our remains and the remains of our children will one day be only a few bones in a "communist" museum case.

Katyn Forest Massacre

**BLAMED ON THE GERMANS
COMMITTED BY THE SOVIET NKVD**

More evidence of "Managed" Atrocities

In the Spring of 1940, under orders from Moscow, **Lavrenti Beria's NKVD executioners** slaughtered with swift precision some 15,000 Polish officers and intellectuals. These officers, were led to the brink of great deep pits in the **Katyn Forest** and, in Soviet style, shot thru the back of their heads. When the graves were exhumed, evidence was also found that many had been buried alive. The murdered officers were placed in layers in the graves, then covered over with sandy loam which was replanted with pine and spruce saplings. In one of these graves was packed the bodies of 2 Generals, 12 Colonels, 50 Lt. Colonels, 165 Majors, 440 Captains, 542 First Lts., 930 Second Lts., and 146 military doctors. As fast as one grave was packed and disguised, another was waiting.

TWELVE YEARS LATER

On November 13, 1952, **George H. Earle**, former Governor of Pennsylvania, and ex-diplomat, testified before a House Committee that in 1944 he encountered "a complete refusal by the late President Roosevelt to hear anything against the Russians" and was ordered to suppress a report which would have fully established Russia's guilt of the **Katyn Massacre**. FDR was "entirely convinced the Russians didn't do it." Earle also read a reply from the President dated March 24th, which said that Roosevelt noted "with concern" Earle's proposal to publish his "unfavorable publicity for one of our Allies." Roosevelt said that this would "be all the greater betrayal" as coming from a presidential emissary and said he would "specifically forbid" publishing them. At the same time, FDR admitted, "in strict confidence," that his chief reason for the suppression of the Katyn Story was that if the American people became aware of the **FACTS** of that Massacre "it would mean good-bye to the United Nations."

After 9 months of Hearings the House Committee unanimously found, beyond any question of reasonable doubt, that the Soviet NKVD (Peoples' Commissariat of Internal Affairs) committed the mass murders of the Polish officers and intellectual leaders in the Katyn Forest near Smolensk, Russia.

The evidence, testimony, records and exhibits recorded by the committee through its investigations and hearings overwhelmingly proved to the people of the world that Russia was directly responsible for the Katyn massacre and that there was not "a scintilla of proof or even any remote circumstantial evidence presented that could indict any other nation in this international crime."

But Germany was blamed for this **Managed Atrocity**, and world opinion holds the German people responsible to this day, thanks to the **Managed Press, Radio, TV, etc.** Yet in 25 years no criminals have been brought to justice—instead the truth has been suppressed and we continue to wine and dine the murderers!

Remember—

FDR: "We Hate War"

We were told "**YOUR SONS WILL NOT FIGHT ON FOREIGN SHORES,**" while the planners of managed atrocities were doing all possible to provoke war with Germany and FDR had placed an order for a million coffins while he was giving his now famous "fireside chats." We were told Germany was the aggressor. We were not told **Samuel Untermyer**, president of the **World Jewish Economic Federation**, upon returning from a world-wide meeting of Jews in Amsterdam, Holland, stated on a radio broadcast Aug. 6, 1933, that the **Jews of the world had declared a holy war on Germany and would starve them to death.** This was six years before war had been initiated. We were not told by our controlled press that, "The second

Kennedy Took New Yorkers— —Gen. Walker Took Kennedy!

Dynamic letter from
GEN. EDWIN A. WALKER
To New York Voters

I write to you from Texas where Bobby could not be elected dog catcher. He controlled and directed too many troops to Mississippi, too many Freedom Riders to the South; now turned to riots in the North. Commencing with Oxford, Miss., twenty-two thousand men were used, equal to the fighting strength of two U. S. army divisions. Fifty men could have placed any student in any university on any week day, without fanfare. This was the diversion which fulfilled UN Declaration that the entire world would integrate, while the Red Russians moved in and integrated with the Cubans. It was a Kennedy "premier" with world wide publicity and propaganda—the title "U. S. Joins in World Race War."

Little Bobby made a false arrest on Oct. 1, 1962. He brought false charges in court, which the government had to drop because the Jury found insufficient evidence to sustain them.

He accused insanity, then had to accept his own court paid psychiatrist's certification, in court, that I was functioning at the superior level of intelligence.

I was the Attorney General's guest in his plane under a \$100,000 bond, without hearing, council, or court order, crossing three state boundaries to a destination unknown—a maximum security cell at the Federal Medical Prison, Springfield, Missouri. His hospitality included a 7 by 10 foot cell, no telephone, telegraph, or mail, stripped of my clothing, with food served on the floor.

His Bureau of Prisons' Psychiatrist, Dr. Charles E. Smith, testified that he based his evidence supporting Bobbie's allegations of insanity on newspaper reports, which have now been proven false by a unanimous jury decision in Fort Worth, Texas. The decision was a verdict against the Associated Press and a judgment of \$800,000 in my favor. While reduced \$300,000 by the judge, the amount of the general damage stands at \$500,000. Twelve additional suits have been filed against the Associated Press and various newspapers carrying false reports of my involvement in the Oxford "premier."

Dr. Charles E. Smith's allegations and accusations were made from 1000 miles away. When, finally, appearing in court to sustain young Robert's position, we find the good doctor got his instructions from little brother, had only done eight hernia operations in his life, and that his father's name was Cantor not Smith, and that said father was born in Russia. The man running for the Senate in your State made an illegal arrest with soldiers, made false charges, made false accusations of insanity, and kidnapped a citizen based on false newspaper reports all in one day, October 1, 1962. His U. S. attorney had been informed that collateral for the bond was ready—the same collateral which was accepted six days later.

Nothing was going to interfere with the world "premier" at Oxford. I saw it—the biggest hoax and world propaganda stunt ever imposed upon the American people. It was the raw naked use of power in unnatural warfare. It is no different in its use in the sovereign State of Mississippi than in Katanga, Cuba, Angola, or Haiti. It was the "premier" and the invitation for world racial disorder. It exposed the divisive and iniquitous intent of our international policy from Viet Nam to Cyprus as the "premier" to race war and integration of all races, colors and creeds in fulfillment of the UN Declaration. I saw U. S. policy at Oxford, national and international, exposed in its deceit. I saw the setting and the stage of the most ridiculous military operation in history with all the party line propaganda supporting the "farce."

If you still think little brother is an asset, I would remind you of his trip to Warsaw, Poland, to campaign among the comrades.

General Edwin A. Walker

He was not "out-done" by Oswald who went to Minsk. While we expected him in Dallas to assure justice to you and me under the "law of the land" we now have the ridiculous Warren Commission Report which is an insult to the public's intelligence. We have Bobbie talking enthusiastically of the inevitable youth revolution that will bring governments tumbling down and that must be coordinated from the U. S. with all the pro-communist countries. Oswald was his best supporter and participant in this thesis and movement. Now he is dead, killed by Rubenstein, a man that knew him and knew what he thought and could say.

Why kill a man in prison? He cannot do anything. He can talk. The murder of Oswald was a conspiracy. Rubenstein lies. Marina is a Russian Communist—a member of The Young Communist Party, members of which are supposed to lie. What and who is keeping her from returning to Minsk where she has wanted to go?

I see the Warren Report finds that Oswald attempted to assassinate me on April 10th, 1963. No agents of the Attorney General or Federal Government ever came to see me. Where is the message from Dallas to the Attorney General telling him to forget the Walker incident that it was a self made publicity stunt?

The evidence of two cars and two men seen at my home, and additional murders, an attempted assassination in Dallas and the many friends, supporters and associates of Oswald and now Marina hardly substantiates the finding of a "lonely loner"—which could be applied equally to Castro, Oswald, Rubenstein, and Meredith.

Bobbie used my name in his campaign as "one of those Generals." I thought the true story of "one of those Kennedys" would appeal to you.

Most Sincerely,
Edwin A. Walker

The Meaning of Christmas

"And it came to pass in those days, that there went out a decree from Caesar Augustus, that all the world should be taxed . . . And all went to be taxed, every one into his own city."

Thus, begins the Christmas Story, according to St. Luke.

The whole world was in bondage. All of the world was to be taxed to fill the treasury of a despot. He did not send his centurions to collect the taxes. He arrogantly ordered the taxpayer to go into his own city and pay.

It is true that there were no disorders in the world. There was unrest, to be sure. But no disorders. For Caesar Augustus had perfected the police state. Dissidents were executed, or impressed as slave laborers. Those who gave up their freedoms without protest received largess from the public treasury. Caesar Augustus had also legalized plunder. He took from persons what belonged to them and gave it to other persons to whom it did not belong. And he kept the biggest share for himself.

Then it was that the angel of the Lord appeared and said unto them: "Fear not; for, behold, I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of Bethlehem, a Saviour which is Christ the Lord."

And when He was grown to adulthood, this man of Galilee said to His exploited countrymen: "Render unto Caesar the things which are Caesar's and unto God the things that are God's."

He showed them that their salvation lay in service to their God, and not in servitude to their state. He showed them that resistance to the promises and persuasions and bestialities of despots requires, sometimes, the ultimate sacrifice.

And those who followed His teachings persuaded their fellow-countrymen that: "Wherefore thou art no more a servant, but a son; and if a son, then an heir of God . . ."

Then, men ceased giving up their freedom for pottage. A great many died, that others might walk upright in dignity.

Across the centuries other would-be Caesars have enslaved nations and societies which forgot the meaning of Christmas. Some dictators have employed their own centurions to enslave. Some have hired informers with pieces of silver. More often than not, ambitious Caesars have had only to promise something for nothing: largess from the public treasury.

It is so this Christmas, too. False prophets seek to trick free men into slavery to government—to make them servants of a system rather than sons of God.

The Apostle Paul foresaw this eternal assault on free men. His words to the Galatians stand as the lesson of Christmas for this and every future year of our Lord:

"Stand fast therefore in the liberty wherewith Christ hath made us free and not be entangled again with the yoke of bondage."

"... planned that way"

MAURICE GOMBERG MAP

In October 1941, two months BEFORE Pearl Harbor, Maurice Gomberg, a Philadelphia attorney, mysteriously issued a world map which shows the planned division of the world after the coming World War II. This map outlined every main action which has transpired up to date. It showed the occupancy of Germany and even showed the division between East and West Germany. It showed the occupation of Italy and Japan; Korea was to be taken by China; Formosa was marked for the United States. This map showed the existence of Israel. Israel was colored as it is now—plus Jordan. Remember, Israel was not pushed through the United Nations until 1948, or seven Years later! Red Russia was colored on this map as absorbing the then independent countries of Roumania, Poland, East Germany, Yugoslavia, Hungary, Finland and Estonia.

Unless this all was "planned," how can one explain a Philadelphia lawyer publishing a map two months before we got pushed into World War II? This map also spelled out world police, world government, nationalization of assets, and world money.

BOMBING OF ABBEY CASSINO

We were told this age-old Benedictine Abbey was bombed as military necessity because of German occupation. We know now it was entirely free of German occupation and unnecessarily and mercilessly bombed by "American liberators."

PEARL HARBOR

We were told Japan was guilty of a "sneak attack." We know now FDR & Co. planned Pearl Harbor thus bringing about the deliberate murder of thousands of American boys and the crippling of our fleet.

HIROSHIMA & NAGASAKI

When HST & Co. gave orders to drop the first atom bomb on heavily populated, non-military cities, we were told there was no other way to bring the Japanese to their senses. We know now Japan was negotiating for peace while the Invisible Government was planning otherwise. Another case of planned murder.

DRESDEN BOMBING

"Worst Massacre in History"

In the November 1963 issue of *Esquire* there appeared an article "Apocalypse at Dresden" by R. H. S. Crossman, an Englishman, who sub-titled his essay, "The long suppressed story of the worst massacre in the history of the world." He writes:

"The devastation of Dresden in February, 1945, was one of those crimes against humanity whose authors would have been arraigned at Nuremberg if that Court had not been perverted . . ."

When, because the Red Army was approaching only 60 miles away, a million refugees had swollen the population of Dresden, a totally non-military city and hospital center, to 1,250,000, British and American bombers loosed a three wave bomb attack within twelve hours and followed up with Mustang divers to snipe off any fleeing survivors. Out of 28,410 houses in the inner city, they left 24,866 destroyed, eleven square miles devastated, 35,000 recognizable corpses, and an estimated 100,000 unrecognizable ones! By contrast, Hiroshima's atom casualties were 71,879.

Wake up America! Just who PLANNED these unnecessary Atrocities? Are we going to be propagandized into a THIRD and MORE TERRIBLE WAR? Who stands to profit from all these wars?

WAKE UP AMERICA! WAKE UP!

Quotes! Quotes! Quotes!

To assist our readers to better understand how and why Germany was crushed, and as a result the Soviet Union was built up until it is a frightening threat to civilization, we quote the following:

"A combination of England, France and Russia will sooner or later bar the triumphant march of the success-crazed Fuhrer," it read. "Either by accident or by design a Jew has come to a position of foremost importance in each of these nations. In the hands of non-Aryans lie the very lives of millions. These three Jews are Leon Blum, of France, Litvinoff, in Russia; and Hore-Belisha in Britain. These three great sons of Israel will combine to send the frenzied Nazi dictator to hell.

"When the smoke of battle clears and the trumpets no longer blare and the bullets have ceased to blaze, then the trio of non-Aryans will intone a requiem that sounds suspiciously like the Marseillaise, God Save the King, and the Internationale, blending in a grand finale into a militant, proud, aggressive arrangement of Eli, Eli."

—The American Hebrew
June 3, 1938

"Anything more calculated to inflame world opinion would be hard to imagine, and one cannot really blame Germans for being worked up into such a fury over such remarks. We in Britain would not feel complimented if similar statements of contempt concerning the Royal Family were to appear in a foreign journal. And it must be borne in mind that this string of insults appeared months before there was any 'pogrom' to inspire it. No wonder the anti-Semitic elements in this country declare that **THE JEWS ARE DETERMINED TO FIGHT GERMANY TO THE LAST DROP OF BRITISH BLOOD.**"

—M. G. Murchin's
"Britain's Jewish Problem"

"To achieve the purpose of German extinction, it would be necessary only to sterilise some 48,000,000—a figure which excludes, because of their limited power to procreate, males over 60 and females over 45."

—Theodore N. Kaufman
(from "Germany Must Perish" 1941)

"Morgenthau's plan, I added, would wipe out everything in Germany, except land, and the Germans would have to live on the land. This meant on the German land, and the other 40 percent would die."

—Cordell Hull, U.S. Secy. of State

"Under American law, an offender who has served his sentence meted out by the courts is considered as having paid for his offense. This is not our idea. ANYONE WHO HAS OFFENDED OR HARMED THE JEWISH CAUSE IS NEVER TO BE FORGIVEN, AND WE (THE ANTI-DEFAMATION LEAGUE OF B'NAI B'RITH) shall employ the MILLIONS OF DOLLARS AT OUR DISPOSAL to see to it that such an enemy of the Jewish cause shall never regain his previously held position or social standing."

—N. Y. State Supreme Court Justice Meier Steinbrink, then State Chairman of the Anti-Defamation League of B'nai B'rith, before annual convention 1950, held at the Waldorf Astoria Hotel.

For want of a Nail —the Kingdom was Lost

LBJ announced before election that he would "take care" of the Right Wing if elected. This is one promise we feel sure he intends to keep and the method by which he obtains it, won't make any difference as the results will be the same—elimination of all opposition.

At no time in the history of our country has Common Sense been more needed. This country is facing a crisis the like of which has never been experienced. We face an insane, diabolical enemy more treacherous and savage than is possible to conceive.

Twenty years ago Conde McGinley started a movement to combat the enemies of Christianity, and devoted his life to that cause. We are doing our best to follow in his footsteps. Like our leader before us, we cannot continuously plead for funds, but we feel it our duty to keep our readers informed about our situation so that we will not be told, "Why didn't you tell us—we would have helped."

We here at Common Sense intend to stay in this fight one way or other. We have been forced to cut down on our already inadequate staff, and if the present trend continues, every paid member of our staff will be forced to seek a livelihood elsewhere. We can operate with volunteers, but it will curtail our operations considerably.

There are many ways you can help.

Send a contribution as frequently as you can. Funds are always needed to meet necessary overhead expenses.

Introduce Common Sense by sending us the names of ten local townsmen to whom we can send samples. A dollar will cover the cost.

Stamps are always appreciated. Our postage bills are tremendous.

Distribute copies of Common Sense to those in your community who should be informed.

Remember our work in your prayers.

Every cent received will be put into this fight. Anyone who visits our headquarters can see we are practical and have only the most necessary equipment, some of which is badly in need of replacement.

Please remember us this holy season with your prayers as well as your most generous gift so that we can continue to fight in the front lines for Christ and our country.

May God bless and protect our precious friends the coming year and always—is our sincere wish.

WHY YOUR SOLDIER SON SERVES UNDER THE COMMAND OF A SOVIET COMMUNIST

"At this very moment America's sons, at the direction and plan of Communists in the United Nations, give their blood and lives to further the concealed objectives of the United Nations Charter."
